

3rd Grade Grading System

Your child's work will be graded using the numbers 4, 3, 2, and 1 in alignment with the report cards. Level 4 means **advanced** (exceeds grade level expectations), Level 3 means **proficient** (meets grade level expectations), Level 2 means **partially proficient** (below grade level expectations), and Level 1 means **not proficient** (little/no evidence of content or skill). The following shows the various levels, percentage range and the grade equivalents.

Level 4= 95%-100%---A

Level 3= 75%-94%---C, C+, B-, B, B+, A-

Level 2= 60-74%---D-, D, D+, C-

Level 1= 0%-59%---F

☺ or ☆ = Credit

*******It is very important that your child is responsible for turning in all of their work. Please check your child's agenda book daily to see what your child may need to finish or has for a homework assignment.**
