Using Our Brain Energy!

Lang. Arts: Reader's Workshop

We will be working on reviewing different reading skills and strategies from the year, as well as completing some story activities in our Close Reader books.

Spelling: Finished for the year

Habits: Finish by discussing the final 4 Habits.

Writing: Writer's Workshop

We will continue and finish working on Opinion/Persuasive Writing pieces.

Math: Add/Subtract/Geometry/Fractions

We will finish up, review, and take tests for the remaining units of study.

No more timed tests this year

Social Studies: Michigan

We will finish up our study of Michigan by focusing on Government and Economics.

Science: Light/Shadows/Sound

We will review and the students will take the Light and Shadow test on Friday, June 8. We will then discuss sound and take a quiz next Wednesday, June 13.

Important Events

June 5th

-Field Day

News from the Teacher

The last two weeks of school are here. It has been a quick year, but I will thoroughly enjoy these last days with your child. We have several fun events to look forward to as well as some final academics we need to finish. It is very important that your child try to attend school every day for the remainder of the year so they do not miss anything. Thank you!

Weekly Reminders

*Check your child's folder daily.

*Check your child's agenda and sign it daily.

*Please help your child study multiplication facts at home on a daily basis.
