

Dear Families,

March is Reading Month, and we are excited at Masonic Heights to...**"Read for the Gold!"**

To help keep track of the events, your child is bringing home two papers.

1. A March Calendar, to keep at home, that lists all the different events they will participate in for the month.
2. A "Read for the Gold" sheet that they will use to keep track of their reading minutes.

The goal is to read for 100 minutes each week. For every 20 minutes of reading, color in a torch.

Week 1: Try to reach the "Qualifying Medal" =100 minutes

Week 2: Try to reach the "Bronze Medal" =200 minutes

Week 3: Try to reach the "Silver Medal" =300 minutes

Week 4: Try to reach the "Gold Medal" =400 minutes

- ❖ Students should bring their "Read for the Gold" sheet back to school **each Friday** to show their progress, and receive the medals that they earn.

"Read for the Gold" Rewards:

1. The top 3 readers from each class will have extra gym with Mr. O.
2. The top reader from each class will receive a "trophy" and a book.
3. The top readers from the Lower El and Upper El will have lunch with Mr. Lewis.
